NIKHIL S SHAH

CREATIVE CONTROLLER
ILLUSTRATOR

ABOUT ME

Currently working as a Creative Controller, I lead a team of designers & copy writers, guiding them to deliver innovative, high-quality work that aligns with client objectives and brand vision. I set clear creative goals, foster collaboration, and leverage each team member's strengths to ensure impactful outcomes.

My role involves mentoring the team, providing constructive feedback, and nurturing a positive, motivating environment. I manage resources effectively, balance creativity with deadlines, and maintain quality control to ensure all work meets the highest standards. Additionally, I present ideas to clients, gather feedback, and align deliverables with expectations.
